**WHAT WOULD
HAPPEN IF WE
CONTEMPLATED
EMPHASIZING
GROWTH?**

We, at PFC International, spend much time deliberating the imbalance between the emphasis businesses place on profits and success. We have learned to trust the belief that our global presence is the perfect standpoint for our clients. With such multi-faceted intel, we can help support pliancy through our human capital and motivate business progression through strategies that act as powerful sources of improvement, innovation, and achievement.

We know how to challenge mediocrity in the business world and play a pivotal role in emphasizing growth for our clientele.

Jihad Geagea
Co-Founder and CEO

There is no doubt that digitalization, consumer behavior changes, the fusion of work and home life, quality of life, and health awareness significantly impact business performance. As a businessman myself, progress is ongoing; our ideas are as profound as the strategies implemented to achieve them.

PFC has become part of my DNA, and my ambitions are limitless. As a result, I have made sure that our role as a business entity goes beyond delivering proficient services. After years of cultivation, our teams strive to reach responsible behavior while practicing and promoting ethical practices, honesty, and integrity. By doing so, our teams cultivate a positive work environment while simultaneously consolidating our stakeholder relationships, very much reflecting the multi-faceted objectives I foresaw when establishing this company.

In short, we are more than just a business consultancy firm. We are informed, dependable, prompt, and above all, ready.

I am proud of PFC's entity, and I welcome you to my world of business innovation.

Walid Geagea
Co-Founder & Managing Partner

It gives me great pleasure to welcome you to PFC.

For years, we have built this company upon the principle of emphasizing growth. Since PFC's establishment, this mantra continues to underpin all efforts and has steadily improved our functions throughout the years.

As times have evolved, so too has business thinking. Appropriately, PFC is now a vehicle for cultural innovation, breaking through trends, market changes, changing economics, and more. Our preparedness is ahead of time, and we focus on providing services like no other; with integrity, professionalism, dedication, perseverance, and ongoing momentum.

I am proud of PFC and promise to ensure that each of our global offices embraces a modern mindset that focuses on shaping a better future for businesses, ensuring they leave a mark wherever they may be in the world.

Rony Chiha
Managing Partner

Welcome to PFC International. Our journey has been a mix of exhilarating, exciting, multinational, eye-opening, but most of all, triumphant.

With a strong background in marketing, business growth is an innate passion of mine, and I am honored to share this passion daily with PFC.

We have been fortunate enough to work with partners across the globe who share a common objective to succeed and have allowed us to be a part of their business growth.

We have shared milestones with our partners, most of which now operate across borders. As a result, PFC International earned a valuable reputation that I am incredibly proud to be a part of.

My aim is, and always has been, to work in the best interest of our clients. We pledge to advance and evolve with the times and continue to exceed every business expectation; of ourselves and our clients.

I look forward to achieving extraordinary milestones with you.

Mohammed Hassan Al-Hamadi
Managing Partner

As a businessman, competitive realities are something I pay close attention to, especially in recent years.

At PFC, we firmly believe that the critical importance we place on competitive manner has become a strong common denominator among our client's long-term success and survival.

Decoding the uncertain and unpredictable nature of business growth has become a passion of mine. I set off to create unique, tailored solutions for Qatar's businesses and enterprises worldwide, introducing effective strategies that can prove compliance with legislation while simultaneously achieving success.

You can be confident that choosing PFC International promises a team of savvy professionals who share our clients' objectives without losing their competitive footing.

Let us be a part of your business growth.

01

WELCOME TO PFC

Established in 2009, PFC is built upon a simple concept—a trustworthy company offering premium business consultancy services to various industries.

With hard work and ethics placed at our core, we have adapted to modern times and have shifted our focus accordingly so that our business can best support yours.

From humble beginnings in Beirut, Lebanon, PFC has grown to become an empire of consultancy offices pinpointed worldwide. Now a powerhouse of human ingenuity, our founders Jihad Geagea and Walid Geagea have invested much talent to foster our clients' growth by employing an extensive team of service professionals. Serving both individual investors and organizations across multiple sectors, we thrive in network connections and partnerships in Lebanon, Qatar, Kuwait, UAE, and Australia. With many European countries in the pipeline, PFC sees no stopping in terms of company growth. With dozens of employees and multiple offices scattered across the globe, our success is a testament to our «work smart» approach. Driven by passion and commitment, our incredible staff help create momentum for establishing multinational partnerships and increasing our success portfolio.

PFC understands your needs and places significant focus on how, when, and why we spend our efforts emphasizing growth.

Welcome to the world of PFC.

01

Local insight with global experience

MISSION // TODAY

Our mission is to provide valuable insights and strategic guidance to all partners, enabling untapped potential.

VISION // TOMORROW

We aim to be international catalysts of business success through dynamic, innovative, and progressive thinking.

CONNECTING WORLDS

PFC's global presence paves the way for case studies to be equipped for tomorrow, today. We're here to help you build resilience through our human capital and motivate business success through strategies that promise data-driven outcomes.

Together, we aim to drive innovative thinking in a world where progress moves faster than time and ensure our knowledge, expertise, strategy, and advisory are synonymous with your business' success.

02

OUR PEOPLE

Redefining Business

The brand that businesses choose to collaborate with when they look to succeed.

At PFC, we believe that our insights and quality services are what has built trust in our name and have titled us as catalysts of business performance. Our confidence in understanding capital markets and international economies play a critical role in building businesses for our clientele and our global communities at large. With every stakeholder in mind, we bring together leaders to deliver hypotheses and ensure your story is told to your audience. We learn, understand, and distill key insights so that wherever you are, whoever you are, success is unlocked, and adversity is overcome.

When you choose to work with PFC, best be sure that your unique success path is on its way.

Built on the promise of shared success

The people who focus on the people

At PFC, we aim to build a positive environment for our team so that our mission to pioneer the consultancy industry begins right in the heart of our day-to-day actions. With a team full of people who are as good as what they do, our advantage lies in that we specialize in this both professionally and personally, meaning there is no escaping great experiences when engaging with one of us.

Business people with intention

PFC staff are the cornerstone of our company, whose expertise allows for dynamic solutions to be presented to our clients, providing high quality, problem-solving and efficient service. What is true of PFC is that, despite our global presence, our teams work together across the globe and genuinely care. We care about every collaboration, every conversation, every idea, and, more importantly, we care deeply about the impact we have on people, organizations, clients, and communities at large.

As a team, we are not shy. We impose a great deal of ourselves into our services, believing this is key to optimal momentum and professionalism. Trust flows between us, our clients, and our society, and innovative thinking is brought to life.

03

OUR SERVICES

Join us in the pursuit of excellence

PFC possesses an in-depth knowledge of many sectors that make us the right choice for clients who wish to capitalize on their opportunities, irrespective of the nature of their business or phase. Through careful assessment, review, and evaluation, we can help enterprises manage responsible growth and keep them informed to meet all stakeholders needs.

Our professionals offer skilled, data-based, and informed recommendations to help a wide range of needs. We endeavor to improve key business functions and promise to prove that sustainable success is not only an outcome but a process. Our leading capabilities span over 40 industries offering services powered by people who know how to create and share value and success with our clients.

It's time we work for your success
